

Help Grow E3's "Communities of Sustainability" Contribution Levels

\$10 - \$499 Planting the Seeds of Sustainability: Individuals make the difference. Your generosity will build the foundation of change toward sustainable communities.

- You or your organization's name will be included on the E3 Washington website sponsors' page (with your permission)

\$500 - \$2,499 Sprouting Actions: Your donation will help E3 Washington engage individuals, families, organizations and businesses to make pledges and take actions to make our communities more sustainable.

- You or your organization's name will be included on the E3 Washington website sponsors' page (with your permission).
- You or your organization will receive one complimentary EEAW/E3 membership.

\$2,500 - \$4,999 Nurturing Linkages: Your donation will support local efforts throughout the state that engage individuals and organizations to make our communities more sustainable.

- Your name or your organization's logo will be included on the E3 Washington website sponsors' page (with your permission).
- You or your organization will be acknowledged during all E3 presentations, conferences and meetings. Organizations' logos will be featured on print materials.
- Individual sponsors will receive a complimentary EEAW/E3 membership. Organizations will receive one complimentary group EEAW/E3 membership (up to 10 individuals).

\$5,000-\$9,999 Growing New Systems: As your contribution grows, so will our ability to help each E3 region and sector connect and support the many people and organizations that run and develop early childhood, school and campus community-relevant sustainability education programs (such as programs integrating systems and sustainability education for grades preK-20 students; career and technical education in "green" trades; and education for families about composting, gardening, habitat restoration, alternative and energy conservation).

- Your name or your organization's logo will be included on the E3 Washington website home page, as well as on the sponsors' page (with your permission).
- You or your organization will be acknowledged during all E3 presentations, conferences and meetings. Organizations' logos will be featured on print materials.
- Individual sponsors will receive a complimentary EEAW/E3 membership. Organizations will receive one complimentary group EEAW/E3 membership (up to 10 individuals).

\$10,000 and Above Building Capacity: Your support will significantly enhance our capacity to strengthen environmental and sustainability education programs and connect our environmental, economic and educational systems for healthier people and sustainable communities.

- You or your organization will receive a special invitation to an E3 Sponsor's Reception at a statewide event
- Your name or your organization's logo will be included on the E3 Washington website home page, as well as on the sponsors' page (with your permission).
- You or your organization will be acknowledged during all E3 presentations, conferences and meetings. Organizations' logos will be featured on print materials.
- Individual sponsors will receive a complimentary EEAW/E3 membership. Organizations will receive one complimentary group EEAW/E3 membership (up to 10 individuals).

EEAW is a 501(c)3 tax-exempt organization. Please complete the form enclosed and make your check payable to the Environmental Education Association of Washington. Upon receipt of this form, EEAW will send you a written acknowledgement of your donation for tax purposes in your "Thank You" package.

Thank you for your contribution and for supporting sustainable communities!
