

## Exhibitor Unloading Instructions for e3 Washington Launch Event

Below is a map pointing out the areas where you may unload your displays. There is no cost to come into the loading areas to drop off your displays. However, there is no free parking right at the Convention Center (1500 Broadway, Tacoma). So, if you do not want to pay for parking, you will need to drop off your displays, drive over to the Tacoma Dome Station and take the light rail back to the Convention Center. Light rail runs every 10 minutes. I've also attached general directions to the Convention Center and to Tacoma Dome Station.

If you are in town on Thursday, September 21, we strongly urge you to bring your displays to the Convention Center and set them up from **1:00 – 4:30 p.m.** on Thursday. Everything must be set up and we must be out of the Center by 5:00 p.m., so please allow time to get your display unloaded and set up.

If you aren't arriving until Friday morning, displays can be set up from **7:00 – 8:30 a.m.** Everything must be in place no later **than 8:30 a.m.**

For large loads, use loading dock on Court C between Market St. & Broadway

For lighter loads, use the turnout loading zone at front door. Take elevator to Level 3
